Shipping Information:

Domestic orders shipping via UPS and USPS will be packaged and sent within 1-2 business days. Orders placed on the weekend or a holiday will ship on the next business day. Tracking numbers will be sent via e-mail as soon as your package ships. Domestic shipments exclude California.

Hazmat orders MUST ship UPS Ground. We reserve the right to change shipping vendors, depending on the Hazmat restrictions with your order. Changes will not affect your shipping rates or extend the ship time for your order. See the maps below for transit days for USPS Priority and UPS Ground.

Return and Exchange or Policy:

At Supplies Plus, we strive to make your purchasing experience as pleasant and easy as possible, and that includes making it easy for you to return or exchange a product with us. We ask only that you follow these simple procedures: The returned merchandise must be new, complete and in its original packaging.

Hazmat and custom items cannot be returned. We cannot issue a refund for any product that is returned to us that has been used or altered, or has any missing parts or packaging. The return must be made within 30 days of receipt of your order. You must e-mail us at info@supplies-plus.com or simply call us at 239-314-7874 and we'll assist you with your return or exchange.

ProMix Paint System by Unleashed

The ProMix System is designed to achieve consistent world-class color match quickly and easily across multiple technologies all from one mixing bank.

The ProMix System offers:

- Superior coverage and color accuracy
- Mixing Bank placement programs
- High performance toners and pearls

ProMix System by Unleashed delivers the performance you can depend on, along with our team who are here to provide the expert technical know-how and customer service you trust and value. Our reputation for quality is built upon our comprehensive offering of superior ClearCoats, primers, activators and reducers - and everything works within the ProMix System.

The ProMix line of low VOC basecoats provide superior coverage and exceptional color match, high performance toners and pearls, binders and coordinated color tools and proprietary formula retrieval software. Prices vary per size and color selection.

ProPoxy, ProSeal, ProBuild and ProLacq Primers/Sealers/Surfacers

ProPoxy by Unleashed SL50 Epoxy Primer/Sealer is a high quality, two component isocyanate free primer with excellent adhesion to properly prepared bare metal, fiberglass, and aluminum surfaces. SL50 Epoxy Primer/Sealer is lead and chromate free and exhibits excellent drying and color holdout characteristics with no shrinkage. SL50 Epoxy Primer/Sealer offers good flexibility, and the versatility for use as a non-sanding, two-component sealer. Mix 1:1 with SL014 Activator.

ProSeal by Unleashed SL4940 2K Acrylic Urethane Sealer is a high quality sealer that provides excellent flow and leveling prior to any topcoat application. This sealer can be used over factory e-coat metal parts as well as properly prepared bare metal and can be used wet on wet for faster delivery times. Available in Gray, Black and White. Mix 4:1 with Unleashed SLA2K Activator.

ProBuild by Unleashed SL2KHB High Build 2K Urethane Primer/Sealer/Surfacer has superior filling capabilities because of its very high solids making it excellent for filling deep sand scratches. SL2KHB provides excellent color holdout under all urethane finishes with no shrinkage. SL2KHB is fast drying and sands easily wet or dry without loading the paper. Mix 4:1 with Unleashed SLA2K Activator.

ProLacq SL60 Acrylic Lacquer Primer is a fast drying, easy sanding product which has superior filling capabilities and color holdout with no shrinkage. Mix 1:1 with Unleashed SEW 3416 Economy Thinner.
